

Micromedex AI-powered search 啟用說明

Step 1. 於 Micromedex 首頁右上角點擊 User account

Step 2. 點擊 Log in with a different username

The screenshot displays the Micromedex website interface. At the top left is the Micromedex logo. To the right of the logo are links for 'Feedback' and 'Mobile access'. A dropdown menu is open in the top right corner, showing options: 'User account' (highlighted with a red box), 'My subscription', and 'Login to a different account' (also highlighted with a red box). Below these are links to 'Micromedex', 'CareNotes', and 'Formulary'. The main navigation bar includes links for 'Home', 'Drug Interactions', 'IV Compatibility', 'Drug ID', 'Drug Comparison', 'CareNotes', 'NeoFax® / Pediatrics', 'Tox & Drug Product Lookup', 'RED BOOK', 'Calculators', and 'Formulary'. The central area features a search bar with the placeholder text 'Search drug, disease, toxicology and more' and a sub-placeholder 'Drug name or keyword search'. The footer contains links to 'Micromedexsolutions.com', 'Support', and 'Latest News', along with the 'Micromedex Assistant' chat icon and copyright information: '© Merative US L.P. 1973, 2025'.

Step 4. 開始體驗 Micromedex AI-powered search

The screenshot displays the Micromedex website's homepage. At the top, the Micromedex logo is on the left, and links for Feedback, Mobile access, User account, and Logout are on the right. A navigation bar below the logo contains links for Home, Drug Interactions, IV Compatibility, Drug ID, Drug Comparison, NeoFax® / Pediatrics, Tox & Drug Product Lookup, and Calculators. The main content area features a section titled "AI-powered search" with a search bar containing the text "How long do the effects of valium last?". Below the search bar, there are three buttons labeled "Dosing/Dose Adjustments", "Administration/Monitoring", and "Adverse Effects/Precautions". The footer includes links to Micromedexsolutions.com, Support, and Latest News, along with the Merative logo and copyright information for 1973, 2025.
